https://www.youtube.com/watch?v=1Mts4s5DKtQ

Hey there, Mga Kapuso! For the first time ever in Philippine TV Commercial Break archives, Let's take a look at a Commercial Break during the broadcast of Kapuso Countdown to 2022: The GMA New Year Special aired on December 31, 2021 22h30 to January 1, 2022 0h30 on GMA.

FAIR USE NOTICE: This video does not intend any form of Copyright Infringements to GMA Network, Inc. and it is recorded and used for educational purposes only. Please also note that the Mano Po Legacy: The Family Fortune "3 Days To Go" Programming Promo was only used for fair use purposes as well.

Some parts of this video has been removed due to their Copyright Claims by their respective owners, such as:
1. Mano Po Legacy Main Programming Promo by Regal Entertainment, Inc. (Non-monetizeable Content ID Claim) from the third gap

UPDATE 1 (21h32): Following the OFFICIAL Takedown Strike by GMA Network against Tony Boy Bautista for re-uploading the full broadcast of this show, as a clarification, this video does not contain the whole broadcast of Kapuso Countdown to 2022: The GMA New Year Special, and the teaser at the start of this video, it's network-led promos, and the TV Commercials/Political Ads are the only non-copyrighted materials thereof.
UPDATE 2 (21h40): In addition, at the start of Gap 5, it says "DRINK RESPONSIBLY" which is an advertising claim for any liquor brands, as seen on the San Miguel Beer segment of the show. It does not contain the said segment in this video.

Remember to Subscribe to DRPS Three for more Full-episode Commercial Break and Single-Gap Commercial Breaks everyday from 12h00 to 0h00.

Election 2022 A2Z TV Patrol, Ang Probinsyano commercial break May 4 political ads
From: Infinitri Creatives Youtube Channel
Youtube Video Link: https://www.youtube.com/watch?v=MYHtS1VeHSA

Commercial breaks are becoming more congested with political ads as the campaign fever conclusion nears. Here are all the ads aired on A2Z during TV Patrol and Ang Probinsyano as of May 4, eve of ABS-CBN Day.
Tropang Angat and Uniteam ads dominated the commercial breaks. Notice that aolmost each commercial break containts either CIBAC or Tesdaman ad due to media ownership reasons. Also aired was the so-called "ABS-CBN version" of Leni Robredo's final (featuring Vice ganda, Pokwang appears insted on "GMA version"), while Bongbong Marcos appeared on a later drama slot (not recorded).
Some portions of this video may subject to content ID claims by respective propducers and/or music labels. Little portios of TV patrol were included for dating reference purposes.
The nation's most-awaited decision day will happen this Monday, May 9.
